

## IBWA International Bottler Member Benefits

IBWA membership offers you access to the resources you need to produce a quality product. The following is a list of benefits our members currently enjoy:

- ☑ Access to the **technical and scientific education and research** provided through IBWA discounted publications and the **members-only section** of the IBWA web site
- ☑ Access to **IBWA staff** for answers to specific questions on technical and science-related issues.
- ☑ Free subscription to the ***Bottled Water Reporter***, IBWA's bimonthly magazine and the only U.S. publication written solely for the bottled water industry.
- ☑ Free subscription to the **IBWA News Splash**, our weekly e-newsletter
- ☑ Discounted registration for **IBWA Conventions and Trade Shows**
- ☑ Participation on the **IBWA Board of Directors** and in **Committees**
- ☑ Free company listing in the IBWA online **Directory of Member Web Sites**

Member companies located outside the United States join us for **access to information** – scientific and technical resources. They appreciate being affiliated with a credible organization whose members are required to maintain **high quality standards** as a criteria for membership – the **IBWA Bottled Water Code of Practice**. In addition, they are supporting our work in achieving the goal of our mission to expand the use of bottled water, which has a positive effect on the **global bottled water industry**.
