WEDNESDAY, JUNE 8, 2022

Because of ongoing security-related issues at the US Capitol and Senate and House office buildings, IBWA will not be conducting Capitol Hill visits this year. Instead, IBWA will hold several advocacy-and-policy-related sessions on Wednesday, June 8 that will allow members to learn about key issues impacting the industry. Topics and speakers are being finalized. As this happens, members will be notified via email and through the weekly Splash electronic newsletter.

As a result of this schedule change, we will be able to hold the IBWA Board of Directors meeting from 2:45 – 4:30 pm on Wednesday, June 8, instead of Thursday morning. We recognize that attendees might be tempted to leave early on Wednesday afternoon to catch flights home. However, we ask that you please schedule your departures for after the Board meeting.
